Total Numbers

Graduates – 93

Related Field – 57%

Non Related Field – 37%

Not working – 6%, in this group – Half of these students are furthering their education, one of which is sort of a professional student.

Internship Program

- **No Internship Programs available to Sowela Students.**

Lab Implementation Status into Curriculum

- Lab exercises have been implemented throughout our curriculum

Audit Action Plan Gap Closures

- We're reviewing Oct. 18, 2001 Audit in preparation for our 2004 Audit.

PTEC Instructor Development

- We are planning a two day workshop for all Sowela PTEC Instructors.

Successes to Share/Best Practices

- We are seeing an increase in hiring of PTEC graduates.

Issues/Opportunities

All of our plants are operating very well.

Advisory Committee Meetings (Most recent meeting date, next meeting date, hot topics)

* Mar.24,2004/May 19,2004; Hot Topics-Training-Fork Lift, Aerial Lift, and Hazwoper.

Miscellaneous

-
